

CITY OF PALMETTO, FL
Indoor Water Conservation Program
Rebate Application

Application Number

Instructions: Participation in the City of Palmetto Indoor Water Conservation Program is easy.

1.) Upon receipt of this application you will have 30 days for the installation of your new toilet(s) and to return this completed application to the address below.

2.) When returning this application attach copies of your purchase receipt(s) and a copy of your water bill unless your park or condo association pays the water bill; then provide the name of the association that pays the water bill directly to the City of Palmetto Utilities.

3.) After your installation verification has been completed and approved, you will receive your rebate check in approximately 4 to 6 weeks. Rebates are available for single family, multi-family, and commercial building owners or authorized agents.

4.) This program applies to Wholesale and Retail Water Customers of the City of Palmetto. High Efficiency (HE) toilets must be ANSI certified to use 1.28 gallons or less per flush for residential accounts and Ultra Low Flow toilet (ULFT)(1.6 gallons per flush) for commercial accounts that replaces a high-volume toilet installed prior to 1995.

Residents whose primary water bills are paid directly to the City of Bradenton, Town of Longboat Key, Manatee County, or Sarasota County are NOT eligible for this rebate.
