

CITY OF PALMETTO, FL
Indoor Water Conservation Program
Rebate Application

Application Number

Instructions: Participation in the City of Palmetto Indoor Water Conservation Program is easy. 1.) Upon receipt of this application you will have 30 days for the installation of your new toilet(s) and to return this completed application to the address below. 2.) When returning this application attach copies of your purchase receipt(s) and a copy of your water bill [unless your park or condo association pays the water bill; then provide the name of the association that pays the water bill directly to City of Palmetto.] 3.) After your installation verification has been completed and approved, you will receive your rebate check within 2 to 3 weeks. Rebates are available for single family, multi-family, and commercial building owners or authorized agents. 5.) This program applies to Wholesale and Retail Water Customers of the City of Palmetto. **High Efficiency (HE) toilets must be ANSI certified to use 1.28 gallons or less per flush for accounts that replace a high-volume toilet installed prior to 1995.**

Eligible Tenants must also submit a notarized Landlord Consent Form with the completed Rebate Application.

CERTIFICATION AND TERMS AND CONDITIONS

I hereby certify that I am the Building Owner and/or Authorized Agent for the above listed property where water service is provided. I have read and agree with the terms and conditions of the Palmetto Toilet Rebate Program policy and procedures. I have abided by the Project and Procedures and have read the Consumer Awareness Form that accompanies this application. 1.) Not all High Efficiency toilets perform alike. Choose yours carefully. 2.) The City of Palmetto does not guarantee toilet performance or workmanship. 3.) The City of Palmetto reserves the right to withhold a rebate for failure to comply with project requirements. 4.) **ALL** toilets for which a rebate is applied must be verified by an on-site confirmation to ensure a High Efficiency toilet replaced a 3.5 gallon or higher toilet. **DO NOT DISPOSE OF YOUR OLD TOILET PRIOR TO VERIFICATION.** 5.) Any toilet not self-installed by a single family homeowner, **MUST** be installed by a Licensed Plumber. 6.) A Licensed Plumber **MUST** be used when replacing any toilet in a leased or rented single family unit, multi-family or commercial property. A receipt showing the material and installation costs, and the plumbers name, address, phone number and license number must be provided in order to receive a rebate. 7.) Plumbers must be licensed in the State of Florida. 8.) Rebates are available on a first come, first serve basis.
